We've listed a few guidelines for recording your selfie video. We know each selfie will be different, and that's what makes the 'CONNECT Yourself' campaign so valuable.

Selfie Guidelines

- State your first and last name and territory
- Hold phone vertically with selfie stick
- Record in well-lit area
- Suggested length: 60 seconds (If you need more time, feel free to use it!)
- Attire – wear solid colors, nothing too busy
- Practice/watch your selfie a few times
- Ensure background noise is minimized

Instructions on How to Upload Selfies
